Why telc exams at your school?

Internationally recognised examinations based on the EU's Common European Framework of Reference for Languages

- telc at school provides the opportunity for schoolkids to be developed in line with their gifts and interests.
- Motivated schoolkids who have goals raise the quality of teaching.
- The telc certificates can be added to applications for apprentice positions and thus improve their chances of success.
- With a practical addition of certificates with reference, the school sharpens its profile and improves the status of foreign languages.
- Preparation for the exam is in core curriculum terms a methodological enrichment. It contributes towards quality and eases evaluation of specific study progress.
- telc examinations have a communal approach, creating an enjoyable atmosphere for those learning the language and preparing for the exam.
- To prepare for the exam, there are practice tests at all levels, as well as a wide range of further material for teachers and students (www.telc.net).
- Schools may define the dates on which they wish for exams to be held.
