### Notes

#### 1. Submission of Examination Entries to Examination Centres

Candidates must check with their Examination Centres for the registration closing dates which at overseas Centres may well be earlier than the dates set by Pearson.

#### 2. Optional Speaking and Listening Tests

Speaking and Listening Tests for English for Business (EFB) and English for Commerce (EFC) are not scheduled. Centres may hold the Speaking and Listening Tests on any date before the relevant written examinations so that results may be sent to Pearson together with written examination scripts. It is recommended that dates for Speaking and Listening tests are not set more than one week prior to the commencement of the Series, allowing sufficient time for papers to arrive. Speaking and Listening Tests must be taken within 12 months of the written paper to be included on the certificate. Results cannot be issued until the Speaking and Listening results have been received.

#### 3. All centres must submit Examination Entries to Pearson no later than:

- January 2018 series - 4 December 2017
- March 2018 series - 22 January 2018
- April 2018 series - 20 February 2018
- June 2018 series – 23 April 2018
- July 2018 series – 22 May 2018
- September 2018 series – 23 July 2018
- November 2018 series - 1 October 2018
- December 2018 series – 22 October 2018

Please note that late entries cannot be accepted for timetabled examinations due to the timescales required for print, despatch and delivery of the papers.

#### 4. Timetabled Dates

All timetabled examinations must take place on the dates shown. In centres where candidates are unable to sit an examination on the timetabled date the centre should request, from International Enquiries **pqs.internationalenquiries@pearson.com**, an on demand examination where this availability exists.

All examinations should be conducted according to the controls specified in the Examination Regulations document from **qualifications.pearson.com/lccisupport**
